

R Recycling Containers
 Plastic (1 to 7), cans (steel and aluminium), glass
 bottles/jars (clear, brown and green), cardboard,
 paper (glossies, newspapers, office papers).

T Transfer Stations
 Several transfer stations are operating in
 Marlborough. Please note that E-Tips is available
 at the Blenheim Waste Sorting Centre and Picton
 Transfer Station.

C Coin-Operated Skips
 Operating 24-hours at four locations around the
 Marlborough Sounds. They cost \$3 to operate
 (based on two standard rubbish bags).

Refuse / Recycling

We do hope you enjoy your visit.

You may be approached by one of our Ranger team –
 if you have any questions on where to camp they will
 be sure to help you.

We promote the Taiki Promise while travelling around
 New Zealand and ask that you are respectful of our
 region – of our environment and leaving the area in
 the same manner you found it.

The Marlborough District Council Responsible Camping
 Control Bylaw 2022 provides a local and regional perspective
 to encourage visitors to enjoy camping at sites managed by the
 Marlborough District Council. Our parks and open spaces are
 monitored regularly by our team of Rangers over the year with
 an increase in monitoring during the summer months.

**The Marlborough District Council
 welcomes all campers to Marlborough.
 We are a region of beauty where water,
 wine and wilderness combine to create
 a relaxing escape.**

Rules about where and how you can camp are
 different across New Zealand. To make sure you are
 doing it right visit camping.org.nz or an i-SITE
 Visitor Information Centre for more information.

Leave no trace or litter
 It's important to look after our country for future
 generations by leaving nothing behind wherever
 you go.

**Use public toilets or
 the toilet in your vehicle**
 Please respect our home and other travellers by
 using the proper facilities. Just look for the signs.

Stay at a campsite
 For the best experience, stay at one of our great
 campsites. With many having cooking, toilet and
 shower facilities on site, there's everything you'll
 need. You might even make new friends.

**Camping is a great way
 to enjoy some of the best
 parts of our country.
 Here's how to do it with care.**

**Camp with
 care in
 New Zealand**
 If you're planning on camping,
 here's how to do it responsibly
 for the best experience.

Marlborough's weather and diverse landscapes make it perfect for camping, whether you choose a tent, caravan or campervan for your holiday.

There's a great range of holiday parks and Department of Conservation (DOC) campsites to choose from, as well as a number of approved responsible camping sites for campervans and self-contained vehicles only.

The Blenheim, Picton and Havelock i-SITE Visitor Information Centres are open 7 days and can help you select and book your camping spots in Marlborough.
