1. Port Marlborough New Zealand Limited (**PMNZ**) wishes to be a party to the proceedings in ENV-2020-CHC-000076.
2. PMNZ is a person who has an interest in the proceedings that is greater than the interest that the general public has as it is the entity responsible for the operation and maintenance of Marlborough's regional port and marina facilities.
3. PMNZ is not a trade competitor for the purposes of section 308C of the Resource Management Act 1991.
4. PMNZ is interested in part of the proceedings.
5. PMNZ is interested in the parts of the proceedings relating to the general rules for stormwater discharges to land.
6. PMNZ supports the relief sought because PMNZ's activities result in a number of discharges to land as well as water and the appeal appropriately identifies some discharges of stormwater to land which should not require resource consent.
7. PMNZ agrees to participate in mediation or other alternative dispute resolution of the proceedings.
